Christina Aguilera – Hurt Schrijvers: Christina Aguilera Linda Perry Mark Ronson

Seems like it was yesterday when I saw your face
You told me how proud you were, but I walked away
If only I knew what I know today
Ooh, ooh

I would hold you in my arms
I would take the pain away
Thank you for all you've done
Forgive all your mistakes
There's nothing I wouldn't do
To hear your voice again
Sometimes I wanna call you
But I know you won't be there
Ohh I'm sorry for blaming you For everything I just couldn't do
And I've hurt myself by hurting you

Some days I feel broke inside
but I won't admit
Sometimes I just wanna hide
'cause it's you I miss
And it's so hard to say goodbye
When it comes to this

Would you tell me I was wrong?
Would you help me understand?
Are you looking down upon me?
Are you proud of who I am?

There's nothing I wouldn't do
To have just one more chance
To look into your eyes
And see you looking back
Ohh I'm sorry for blaming you For everything I just couldn't do
And I've hurt myself,

If I had just one more day
I would tell you how much that I've missed you
Since you've been away
Ooh, it's dangerous
It's so out of line
To try and turn back time
I'm sorry for blaming you For everything I just couldn't do
And I've hurt myself by hurting you
