Only The Very Best Lyrics

Peter Kingsbery

**No-one can have more than their due
I wanted life, I wanted you
Only the very best
A reasonable request
This is too high a price to pay
Now they've taken you away
Might as well take me
Down, down to hell for I don't care
They can put me anywhere
Throw away the key
I always walked a definite line
Cutting a dash, cutting it fine
And once, only once did I lose control
I gave her my soul
And I gave, and I gave, and I gave
Her my soul
I was immortal till today
Now I feel a cold decay
Crawling over me**

**No-one can have more than their due
I wanted life, I wanted you
Only the very best
No other interest
This is the way you should remain
Never feeling any pain
Never growing old
Sleep little one, your night is here
Mine is growing very near
Oh, it's getting cold**
